

# PHCbi Pharmaceutical Refrigerators

## Free Accessory with MPR Models

**For a limited time, FREE OF CHARGE - battery housing accessory for power failure alarm.**

Add Quality of Cold to your cold chain with PHCbi pharmaceutical refrigerators.

Quality of Cold starts with interior temperature uniformity, which assures safety of stored products regardless of location within the refrigerator.

Advantages of PHCbi MPR units:

- Auto defrost with no internal temperature spikes
- Space-saving sliding door design (MPR-S150H model)
- Large capacity design with efficient cooling system (MPR-722/1412)
- Proven reliability you can depend on!

**In Stock!**
