A large, festive gift basket filled with various gourmet popcorns and snacks. The basket is tied with a black ribbon and features a white tag with a black and white polka-dot pattern. Visible items include bags of 'Serious Popcorn' (Kalamata Olive Oil), 'Newman's Own' (Toasted Coconut), 'On the Border' (Chili Lime), and 'On the Border' (Cajun). There are also smaller bags of 'Cajun' and 'Kalamata Olive Oil' popcorn, and a blue cat-shaped container. The basket is set against a white background with a subtle pattern.

Prices and discounts may be subject to change and only available while stocks last. Not valid with any other special offer or discounts and cannot be applied in retrospect. All prices in AUD excluding GST and local delivery charges. Products advertised may be for research use only (RUO) or in vitro diagnostic use (IVD). Please refer to manufacturer's product insert for further information. For product use outside of that specified on the manufacturer's labelling and/or instructions for use, Bio-Strategy does not take responsibility.
