

DURAN® YOUTILITY®

The Laboratory Bottle for a Safer Lab!

These Innovative DURAN® YOUTILITY® bottles are safer and easier to handle with their slimmer ergonomic bottle shape and save on space.

- Compare with a Standard Lab bottle to experience the difference!
- Specially shaped gripping zones for easier and safer handling
- New glass thread for faster opening or closing of the YOUTILITY® bottles
- Thread fully compatible with other GL 45 closures and accessories
- Slimmer YOUTILITY® shape optimises the space in autoclaves and refrigerators
- Bottles can be easily stacked horizontally
- Special labelling area compatible with the self-adhesive YOUTILITY® bottle labels
- Easy-to-read ceramic graduation scale indicates nominal volume faster
- Moulded from DURAN® borosilicate 3.3, a pharmacopoeial Type 1 neutral glass for very good chemical and high temperature resistance
- Amber bottle colour meets the USP < 660 > and Ph. Eur. for UV light protection
- Integrated Retrace Codes to allow product traceability via a downloadable certificate of conformance
- Colourful GL 45 Bottle Tags allows for easier identification
- Ergonomic cap shape with comfortable grooves and ridges for easier tightening or removal, especially with smaller sized or gloved hands
