Prices and discounts may be subject to change and only available while stocks last. Not valid with any other special offer or discounts and cannot be applied in retrospect. All prices in AUD excluding GST and local delivery charges. Products advertised may be for research use only (RUO) or in vitro diagnostic use (IVD). Please refer to manufacturer's product insert for further information. For product use outside of that specified on the manufacturer's labelling and/or instructions for use, Bio-Strategy does not take responsibility.

## Scientific Waterbaths

### Heated Circulating Baths

Comes packed full of features and optional accessories. Available as a combined controller and tank system or as single units. A T-Clamp allows the heated circulator to attach to a veridically sided tank. Additional accessories include polypropylene balls and lids or opt for cooling accessories.
