

Paraffin Histoplast PE

Was \$99 **Now \$88**

Code: EPKM8330
8 x 1kg bags

Easy-to-use, resealable bags make handling paraffin simple, clean and quick

Designed to suit all histological applications, including accommodations for rapid infiltration, extra-thin sectioning, and hard/fibrous tissue.

Bags are designed to stand for easy storage and reduce countertop spillage.

Can be used in both infiltration and embedding procedures

Compatible with:

Epredia Excelsior AS Tissue Processor

Provides exceptional tissue quality with minimal user interaction.

High productivity | Low reagent costs

Epredia Histostar Embedding Station

Designed to minimize service requirements, ensuring dependable performance for years to come.

Efficient | Versatile | Ergonomic

Ref. Code:
EPRE-Para
