

Vortex Mixer

Robust, reliable, and great value!

Only \$410

Usually \$618

Code: OHAU30392118

Each unit includes a cup head and a 3-inch accessory platform, accommodating a wide range of tubes and vessels.

The Ohaus Analogue Mini Vortex Mixer features variable speed control, enabling everything from gentle shaking to high-speed, vigorous vortexing of samples.

Choose between convenient touch mode for quick mixing or continuous mode for hands-free operation with a range of accessories. Its rugged, stable design keeps the unit firmly in place, even during vigorous use.

- Control: Analogue
- Orbit: 4.9 mm
- Speed Range:
300 rpm – 2800 rpm
- 2-years Warranty

A wide range of option accessories also available including holders, microplates, foam inserts and more
