## Fetal Bovine Serum (FBS)

**In Stock**

We have both Australian Origin and US Origin Fetal Bovine Serum (FBS) in stock in our Melbourne warehouse.

These batches have been tested by multiple customers and have provided great results with many different cell lines (primary and immortalised).

You may like to read more here:

**Application Note:** Synergy of Recombinant Adeno-Associated Virus Production with Corning Premium Fetal Bovine Serum

If you will need to purchase any FBS in the next 12 months, please scan or click the QR code, complete the form, and we will be in touch to discuss the best options for you!

All responses will go into the draw to win one of 5 hampers full of wonderful New Year goodies. *(no purchase necessary to enter the draw; government officials may need to confirm eligibility.)*

Ref: Jan 2026

Ref. Code: CORN-FBS
