

# Priorclave PS/QCS/EV Series Top Loading Autoclaves

**Built in England – designed to last!**

Priorclave QCS series Top Loading Autoclaves with cylindrical chambers and two baskets offer versatility and cost efficiency. Constructed to British Standards, the units have grade 316L stainless-steel chambers and are inherently safe with thermal interlocks and pressure interlocks. With a choice of two capacities, there will be a Priorclave to handle your sterilisation requirements.

- Two capacities: 100 and 150 litres
- Single handed lever action door mechanism
- USB port, fan forced cooling and timed free-steaming
- 10-year door and chamber warranty
- Many options and accessories to select from
