<b>SevenCompact</b>			
S220-Basic SevenCompact pH/Ion Meter with uPlace electrode stand	METT30019028	<b>\$1,590.00</b>	<b>\$1,391.25</b>
S220-Kit SevenCompact pH/ Ion Meter kit with InLab Expert Pro-ISM electrode	METT30019029	<b>\$1,960.00</b>	<b>\$1,715.00</b>
S220-Bio SevenCompact™ pH/Ion Meter biotech kit with InLab Routine Pro-ISM	METT30019031	<b>\$1,960.00</b>	<b>\$1,715.00</b>

## ME-T Mettler-Toledo Balances

Access your applications easily from the home screen, follow the onscreen guidance, and send your results to a printer or PC using the built-in functions. ME-T analytical and precision balances are designed to make your weighing tasks simple, fast and efficient.

With robust construction, durable components and overload protection, ME-T balances will deliver reliable results for years to come.

- 4.5 inch colour touchscreen
- Automatic adjustment when the ambient temperature changes
- 10 built-in application
- USB and RS232 ports, plus the optional Bluetooth adapter
- Passcode Protection

## The SevenCompact™ pH-meter series offers versatility, ease-of-use and durability

This benchtop pH-meter is ideally suited for various industries such as pharmaceutical, food and beverage and chemical. Optimal measuring specifications ensures great performance in all pH and conductivity measurements.

- Robust and intuitive with full GLP Support
- Large colour display for clearly visible results
- IP54 water and dust resistance for a long lasting investment
- 5-point calibration
